TO WELLS GRAY ADVENTURES HEADQUARTERS FROM THE SOUTH

Drive North from Kamloops on the Yellowhead # 5. After about 100 km, you see a highway sign saying that Clearwater is 16Km. Keep driving and watch for a long straight stretch and signs of habitation. You will pass a four-way intersection that is signed as business frontage. Continue to the next intersection. Here there will be highway light standards, mailboxes and a public telephone. This is Jenkins. Turn right here and follow the map to the Wells Gray Headquarters. If you drive up a hill and pass the North Thompson Park and the bridge over the Clearwater River, you have gone too far. Between Clearwater Village Road at the main intersection in Clearwater and Jenkins Rd. which is at the turn off to Wells Gray Adventures, the distance is 6.5 km.
